FROM THE DESK OF SECRETARY GENERAL

This year has marked a transformative chapter in the annals of Indian cycling, distinguished by the introduction of an unprecedented array of races across the nation. Foremost among these milestones is the hosting of the maximum number of UCI-sanctioned events in our history, culminating in India's inaugural UCI 2.2 stage race—a feat that elevates our sport to new pinnacles of international acclaim.

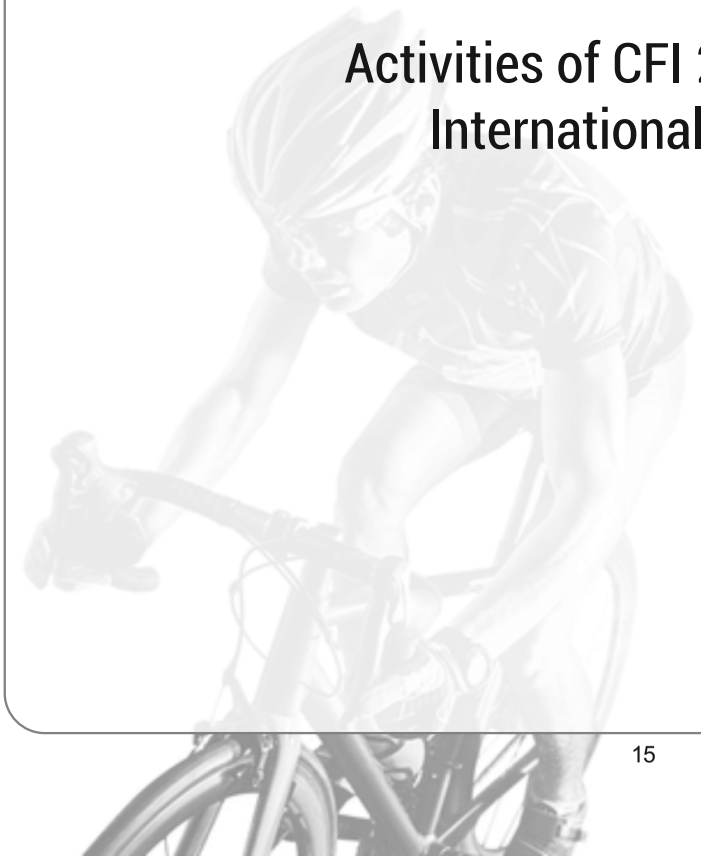

All credit for these achievements belongs unequivocally to the steadfast dedication of the Cycling Federation of India's Management Committee and the unwavering support of our member state boards, whose collective resolve has propelled our shared endeavours to fruition.

A special acknowledgement is due to our Honourable President, Shri Pankaj Singh ji, and Shri Onkar Singh, former Secretary General of the Asian Cycling Confederation. Their visionary leadership and tireless advocacy have been instrumental in forging this historic moment for Indian cycling.

As we stand at this juncture of triumph, our gaze turns resolutely to the future. The path ahead brims with exciting opportunities, and it behoves us to sustain our momentum with renewed vigour, ensuring that Indian cycling continues to flourish on the global stage.

Maninder Pal Singh
Secretary General - CFI

Foreign Training-cum-Competition European Circuit (Track Cycling)

7th May – 3rd June 2024, Germany & France

As part of the preparation for upcoming international championships, the Indian Track Cycling team participated in an intensive **foreign training-cum-competition programme** in Germany and France from 7th May to 3rd June 2024. The programme was designed to expose riders to world-class velodrome facilities, advanced training methodologies, and high-level competition environments.

The camp included **systematic track sessions, performance analysis, and tactical training blocks** under European conditions, enabling athletes to adapt to fast tracks and refine racing techniques. Riders also competed in selected European track meets, which provided valuable race experience against international fields, testing their endurance, speed, and tactical awareness.

This exposure not only enhanced the technical skills and confidence of our cyclists but also contributed significantly to their **international readiness,** bridging the gap between domestic performance levels and global competition standards.

Asian Road Cycling Championships

7th – 12th June 2024, Almaty, Kazakhstan

The **Indian Cycling Team** participated in the **2024 Asian Road Cycling Championships** held at Almaty, Kazakhstan, from 7th to 12th June 2024. A full contingent represented India across Men's Elite, Women's Elite, Under-23, and **Junior categories** competed in both **road race** and **individual time trial** events. Harshita Jakhar won a Bronze Medal in Women Junior Individual Time Trial.

The Championships provided Indian riders with the opportunity to compete against Asia's strongest cycling nations, test their performance in demanding conditions, and gain valuable exposure to international racing standards. Participation in this prestigious continental event not only enhanced the experience of our athletes but also contributed to India's growing presence on the Asian cycling circuit.

UCI Track Nations Cup – Round (Turkey)

14th – 16th March 2025, Konya, Turkey

The **Indian Cycling Team** participated in the **UCI Track Nations Cup** held at Konya, Turkey, from 14th to 16th March 2025. This prestigious event, part of the UCI's elite track cycling series, brought together the world's top riders and served as a key qualification pathway for the upcoming World Championships and Olympic quotas.

India fielded riders across both **sprint and endurance disciplines,** competing in individual as well as team events. The championship provided invaluable exposure to world-class racing conditions, tactical experience against leading international competitors, and the opportunity to earn critical UCI ranking points.

The participation in Konya further consolidated India's presence at the global stage, demonstrating consistent progress and commitment towards excellence in track cycling.

44th Asian Road Cycling Championships

07th to 16th February 2025, Phitsanulok, Thailand

The 44th Asian Road Cycling Championships 2025 was organized by the Asian Cycling Confederation (ACC) in cooperation with the Thailand Cycling Federation (TCF) at Phitsanulok, Thailand, from 07th to 16th February 2025. The Championships were conducted under the rules and regulations of the Union Cycliste Internationale (UCI) and were entered on the UCI calendar as a Continental Championships (UCI CC) event.

A total of 29 National Federations participated in the Championships, which featured Individual and Team Time Trials as well as Road Races across categories including Women Junior, Men Junior, Women U-23, Men U-23, Women Elite and Men Elite. The Indian Cycling Team participated in the Junior (Men & Women) and U-23 (Men & Women) categories.

The performance of the Indian team was, however,satisfactory, particularly in the Junior and U-23 sections. The limited preparation time was a key factor, as the national trials were conducted on 05 January 2025, the cyclists reported on 04 February 2025, and the team departed for the Championships on 05 February 2025, leaving very few days for structured training. The detailed list of Indian cyclists along with their event-wise results and positions is annexed separately.

UCI Junior Track Cycling World Championships 2024

12th – 25th August 2024, Luoyang, China

The Indian Cycling Team participated in the UCI Junior Track Cycling World Championships 2024 held at Luoyang, China, from 12th to 25th August 2024. This prestigious event brought together the best junior cyclists from across the world to compete at the highest level of track cycling.

India fielded a strong contingent of junior riders across sprint and endurance disciplines. The Championships offered our young cyclists invaluable exposure to international racing standards, advanced competition strategies, and high-speed velodrome conditions. Competing against the world's best not only tested the physical and tactical capabilities of our riders but also provided critical learning experiences essential for their long-term development.

Participation in the Junior World Championships marked a significant milestone in the progression of Indian cycling, underlining the efforts to nurture young talent and build a strong foundation for future elite-level success. The detailed list of Indian riders and support staff who represented India at Luoyang is annexed separately.

UCI Level 3 Coaching Diploma

International Cycling Union

19th Sep. to 12th Oct. 2024. WCC, Aigle, Switzerland

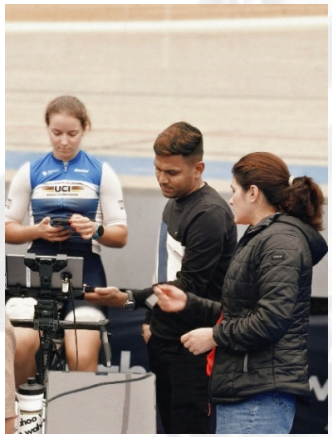

The UCI Level 3 Coaching Diploma was successfully conducted at the World Cycling Centre (WCC), Aigle, Switzerland, bringing together elite coaches from around the world to enhance their technical knowledge, training methodologies, and coaching competencies at the highest level of competitive cycling.

Representing India, the following coaches participated in this prestigious program:

- **Poonam Rana**
- **Faris Salam**
- **Sourav Shukla**

The UCI Level 3 Coaching Diploma is an advanced certification aimed at preparing coaches to train elite cyclists effectively, covering areas such as performance analysis, training periodization, talent identification, and application of scientific principles in competitive cycling.

The program at WCC, Aigle, provided participants with a comprehensive blend of theoretical learning and practical on-track training under the guidance of world-class instructors. This opportunity not only enriched their professional expertise but also strengthens India's capacity to develop top-level athletes and coaches capable of competing on the global stage.

UCI Elite National Commissaire Course Road

Uzbekistan (January 15–19, 2025)

The UCI Elite National Commissaire Course Road was successfully conducted in Uzbekistan from January 15th to 19th, 2025, under the guidance of the Union Cycliste Internationale (UCI) — the world governing body for cycling. This prestigious program is designed to train and certify national-level commissaires (officials and referees), equipping them with the expertise to manage competitions fairly, efficiently, and according to international standards.

Representing India, Mr. M.K. Pasha participated in this elite program, reflecting both his personal dedication and the Cycling Federation of India's commitment to developing skilled officials for the sport. His participation highlights India's growing presence in international cycling administration and officiating.

The UCI Elite National Commissaire Course Road is an advanced training initiative combining theoretical knowledge with practical field exercises. It covers areas such as:

- UCI rules and regulations for road cycling competitions
- Race management, safety protocols, and timekeeping
- Judging procedures and ethical officiating
- Anti-doping regulations and compliance
- Event organization at national and international levels

Participants undergo rigorous assessments, including written examinations and practical evaluations, which qualify them to officiate at UCI-recognized national and international competitions upon successful completion.

During the five-day course, delegates from multiple countries worked closely under expert UCI instructors, exchanging knowledge and best practices. Mr. M.K. Pasha's successful participation demonstrates his professionalism, deep understanding of cycling governance, and commitment to contributing to the sport's growth in India and beyond.

Congratulations!

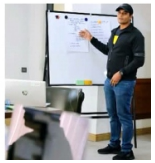

Adv. M K Pasha

28th January to 14th February 2025

The Cycling discipline at the 38th National Games, held in Uttarakhand from 28th January to 14th February 2025, witnessed thrilling performances and record-breaking moments across three major formats — Road, Track, and Mountain Biking (MTB). The competitions were spread across picturesque and well-prepared venues, with Rudrapur hosting the Track events at the Shivalik Velodrome, Manoj Sarkar Sports Stadium, the Road races also conducted in Rudrapur, and the challenging MTB events organized at Sattal Christian Ashram, known for its hilly terrain and scenic beauty.

The Cycling Federation of India and the organizing committee received praise for the efficient conduct of all cycling events. The newly developed Shivalik Velodrome in Rudrapur met international standards and provided a smooth and safe surface for high-speed races. The Chief Minister of Uttarakhand, Shri Pushkar Singh Dhami, personally attended the medal ceremonies, congratulating athletes and commending their dedication and discipline. His presence, along with strong local support, underscored Uttarakhand's commitment to developing a sporting culture and promoting cycling as a key discipline for youth engagement.

Cycling at the National Games 2025 proved to be a milestone for Indian cycling, showcasing the depth of talent across states and institutional teams. The inclusion of all three formats — Road, Track, and MTB — demonstrated the sport's versatility and appealThe successful execution of the events not only strengthened Uttarakhand's position as an emerging sports hub but also contributed to the long-term growth and recognition of cycling in India.

HCL CYCLOTHON

Pedaling the Spirit of Fitness and Sustainability
Chennai - Hyderabad - Noida, 2024-25

The HCL Cyclothon, a premier cycling event organized under the aegis of the Cycling Federation of India, successfully concluded its 2024–25 series with remarkable participation and enthusiasm across three major cities — Chennai, Hyderabad, and Noida.

The first leg of the Cyclothon took place on 6th October 2024 in Chennai, drawing cyclists of all age groups and skill levels. The event witnessed an overwhelming response, promoting the message of health, fitness, and a greener lifestyle through cycling.

The excitement continued with the second edition in Hyderabad on 15th December 2024, where riders showcased endurance, teamwork, and community spirit on a challenging yet scenic route. The participation from amateur cyclists, corporate teams, and professional riders reflected the growing popularity of cycling as both a sport and a sustainable mode of transport.

The grand finale of the series was held on 23rd March 2025 in Noida, marking the successful completion of the HCL Cyclothon series. The event brought together cycling enthusiasts, athletes, and fitness lovers from across the country, celebrating a shared passion for cycling and environmental awareness.

Each edition of the HCL Cyclothon emphasized HCL's commitment to promoting active lifestyles, community engagement, and environmental consciousness, while also supporting India's vision to nurture cycling as a mainstream sport.

The Cycling Federation of India extends its appreciation to HCL for their continued partnership and contribution towards the development of cycling in India. The HCL Cyclothon series has not only inspired thousands to adopt cycling as a way of life but also strengthened the foundation for a healthier, fitter, and cleaner India.

Khelo India Womens League

Empowering Women Through Sport and Speed

The Khelo India Women League – Asmita Cycling Series 2024, organized under the aegis of the Cycling Federation of India and supported by the Ministry of Youth Affairs and Sports, successfully concluded its zonal and national rounds across the country. The initiative aimed to promote women's participation in cycling and provide a competitive platform for emerging athletes at all levels.

North Zone

The North Zone events witnessed enthusiastic participation in both Road and Track categories. The Road competitions were held at Rohtak, Haryana (29–30 Aug. 2024) and Amritsar, Punjab (3–4 Sep. 2024), while the Track event took place at the GNDU Cycling Velodrome, Amritsar (6–7 Sep. 2024). Riders from northern states showcased outstanding talent, reflecting the growing interest in women's cycling across the region.

South Zone

The South Zone saw commendable performances during the Road events in Nizamabad, Telangana (14–15 Sep. 2024) and Chennai, Tamil Nadu (31 Aug.–1 Sep. 2024). The Track competition was hosted at LNCPE, Trivandrum, Kerala (19–20 Sep. 2024). The southern region demonstrated remarkable potential, with several promising cyclists emerging from this league.

East Zone

The East Zone competitions were held with great enthusiasm at Ganga Path, Patna, Bihar (24–25 Aug. 2024) and Kolkata, West Bengal (7–8 Sep. 2024) for the Road events, while the Track event took place at the Singhu Kanhu Stadium, Khelo Gaon, Ranchi, Jharkhand (10–11 Aug. 2024). The events not only highlighted the growing talent pool in eastern India but also encouraged greater participation among young girls.

West Zone

The West Zone events featured spirited performances during the Road races in Vadodara, Gujarat (27–28 July 2024) and Baramati, Pune, Maharashtra (20–21 Sep. 2024). The Track event at SMS Stadium, Jaipur, Rajasthan (5–6 Oct. 2024) added further excitement, witnessing competitive spirit and skillful riding from athletes across the western states.

National Level

The National Level Asmita League Finals brought together the top-performing riders from each zone. The Road competition was conducted at Gohana, Sonepat, Haryana (22–23 Oct. 2024), followed by the Track finals at the IG Sports Complex, New Delhi (26–27 Oct. 2024). The finale was a grand celebration of women's cycling, showcasing talent, dedication, and the true spirit of sportsmanship.

Grievance Committee Report

Grievance Committee Report

1. Introduction

The Grievance Committee of the Cycling Federation of India (CFI) was established to address concerns, complaints, and disputes raised by affiliated units, athletes, coaches, officials, and other stakeholders. The Committee strives to uphold transparency and fairness, strictly adhering to the rules, regulations, as well as the guidelines outlined by the CFI and international governing body (UCI). The Committee's primary objective is to provide an accessible and impartial platform for resolving issues, thereby fostering trust and integrity within.

2. Composition of the Committee

The Committee was constituted as follows:

a) Chairperson : Shipra Verma
b) Members : Adv. Nagindra Benipal, Adv. MK Pasha & Jyoti Mann

3. Scope of Work

During the reporting period, which extends from the previous Annual General Meeting to the current one, the Grievance Committee addressed a range of matters, including:

a) Grievances from athletes
b) Violations of the code of conduct by Coaches and Athletes.

4. Grievances Received and Action Taken

License of the coach is suspended, pending disposal/ completion of the enquiry.

5. Recommendation

To further improve the grievance redressal framework, the Committee recommends to encourage state associations to establish internal grievance committees to address issues before escalating them to the Federation.

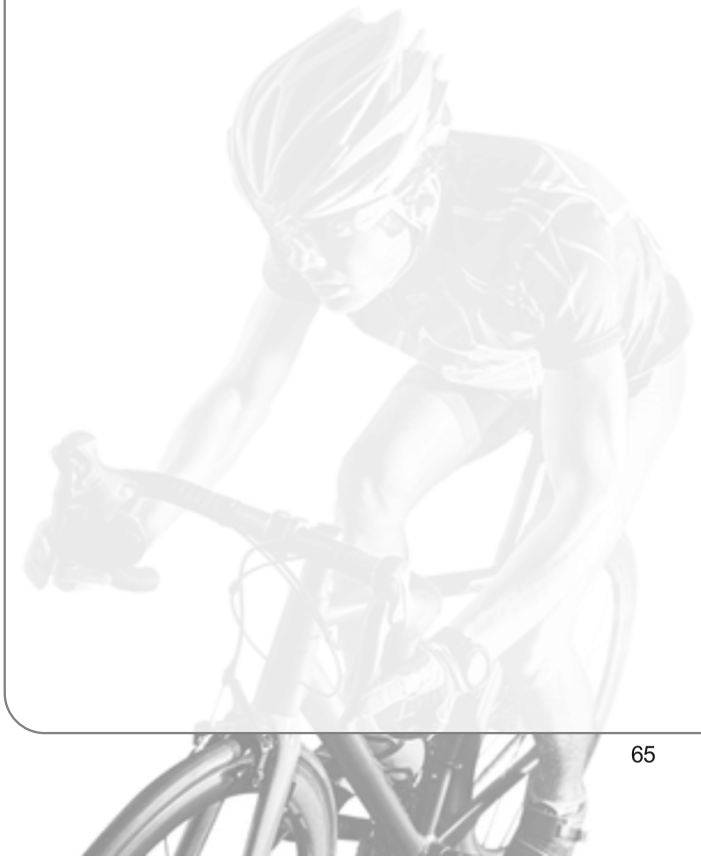

7. Conclusion

The Grievance Committee reaffirms its unwavering dedication to fairness, impartiality, and transparency in addressing all matters presented to it. During the reporting year, the Committee has benefitted immensely from the continuous guidance, cooperation, and proactive support of the Cycling Federation of India (CFI).

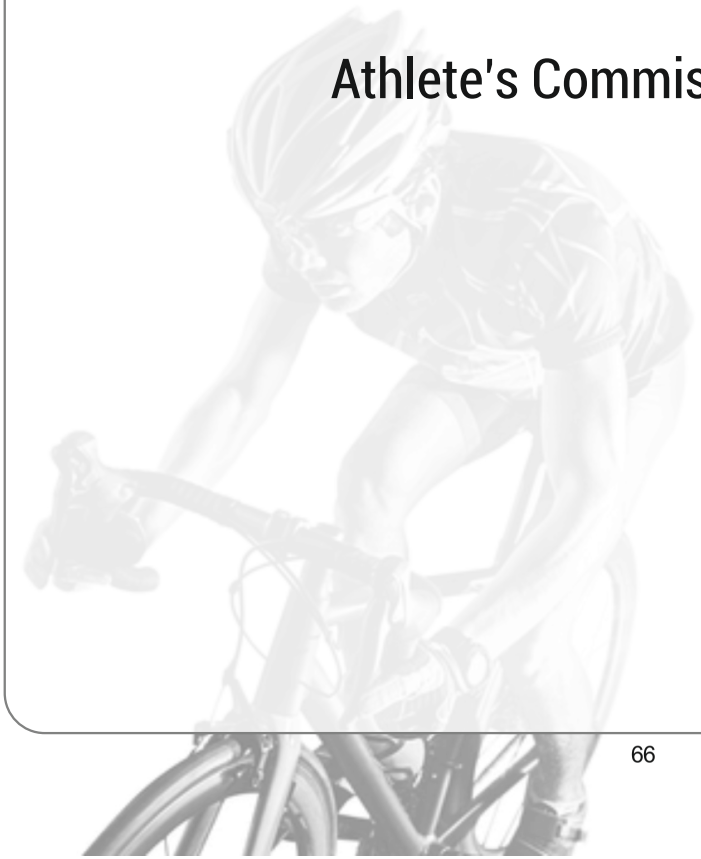

The Committee acknowledges with appreciation the commitment of the CFI leadership, its Executive Committee, and affiliated state associations for fostering a culture of accountability and athlete welfare. Their encouragement has enabled the Committee to function smoothly and independently, thereby ensuring that every grievance is given due consideration and resolution.

With the ongoing support of the CFI and the active participation of all stakeholders, the CFI is well positioned to further strengthen its governance, uphold the highest standards of integrity, and maintain an athlete-centric approach that inspires trust and confidence across the cycling community.
